

Hill-Rom® 900 Accella™ bed

Improve safety. Enhance outcomes. Simplify tasks.

Features and benefits

Improve patient safety

Reduce patient discomfort with **SlideGuard™**, especially designed to minimise the need for patient repositioning

Caregivers can respond more rapidly with **Auto CPR**, which flattens the back rest and automatically places the bed into a horizontal position, should patient complications occur

Alerts caregivers of potential bed exit via the **3-Mode Bed Exit Alarm**, available with remote monitoring capabilities*

Enhance patient outcomes

One-Touch Side Egress positions the bed for safer and easier bed exit

Stable support is provided during bed exit via an **ergonomically-placed side egress grip handle**

Optimise patient care with **Head-of-Bed Angle Alarm**, alerting caregivers of any safety concerns

Optional **Accella Therapy™ integrated surface** for enhanced protection against skin breakdown

* Available in selected markets

Accella Therapy integrated surface controls

3-Mode Bed Exit Alarm

Auto CPR

Single connection in the bed frame to easily connect the Accella Therapy surface to the bed

One-Touch Side Egress positioning

Features and benefits

Simplify caregiver workflow

Simple Weigh improves workflow efficiency with an integrated scale and BMI calculation, excluding the weight of hanging accessories and IV poles, therefore reducing the steps needed to obtain patient weight

Available on the right or left side of the bed, the bright and easy-to-use **Graphical Caregiver Interface (GCI)** offers straightforward visuals of patient information, such as head-of-bed angle and other caregiver alarms

Intuitive bed controls consistent with other Hill-Rom beds, requiring minimal in-service staff training helping to mitigate the risk of user error

Optional in-bed x-ray, via a selection of Hill-Rom therapeutic surfaces and frame accessory

Simple Weigh in-bed scale

Technical Specifications		
Safe Working Load		250 kg
Bed weight		170 kg
Height adjustment		38.6 cm to 80.8 cm
SlideGuard sliding backrest		up to 12 cm
Protection class		IPX4
